Weekend Sports Tour staying at a large dormitory in Cardiff Bay on a Full Board Basis, with activities of Indoor Climbing and RIB Speedboats

Cardiff Bay Dormitory

The Cardiff Bay Dormitory is a new residential centre situated in the heart of Europe's most exciting arts venue, the Wales Millennium Centre, at the heart of Cardiff Bay.

Next door to the Welsh Assembly building, its an ideal and very unique venue to taste the culture of Wales's capital city and an excellent base to experience a wide range of activities throughout south Wales.

The residential centre was especially built with young people's safety as a priority. With a swipe card security system, closed circuit cameras and a night watchman on duty, the level of safety for young people is second to none.

The accommodation is to a very high standard, with the bunkrooms being en-suite and very spacious. On site there is a multi-purpose hall/theatre, lounges, dining hall, meeting rooms and classrooms.

Each room sleeps up to 6 people.

With its unique gold roof and welsh slate walls, this truly is an exciting and onetime opportunity.

Based on a full board basis, with breakfasts, packed lunches and evening meals. You can just go on a B&B basis if you want.
